

### **M.A.D Skincare Breakout Control Charcoal Peel Off Mask**

*Clients Will Love this Superstar Mask*

M.A.D Skincare brings you **Breakout Control Charcoal Peel Off Mask**, packed with a superstar ingredient: Activated Charcoal. Combining Activated Charcoal, Willow Bark Extract and Alp Sebum in a peel off mask, toxins stick to the mask, and are pulled out when mask is peeled off, purifying and brightening the skin, leaving it radiant and fresh!

- **Activated Charcoal** helps draw out toxins, dirt, and grime which can cause dull complexion, acne and blackheads. By using Activated Charcoal, it makes the mask highly absorbent and a greater ability to trap chemicals and toxins.
- **Alp Sebum**, an anti-inflammatory, calms the skin and reduces the size and appearance of pores.
- **Willow Bark Extract** helps decongest skin and decrease sebum production.

#### **ADDITIONAL BENEFITS:**

- This trifecta of purifying and anti-inflammatory ingredients creates a potent mask for treating and preventing breakouts.
- Purifying actives combined with anti-inflammatories decrease sebum production, help reduce blemishes, and detox skin helping say goodbye to breakouts.

#### **RETAIL BENEFITS:**

- **A great upsell**, this is the perfect mask for clients to use in-between esthetic treatments helping keep breakouts, clogged pores, oiliness and dull skin at bay.
- Once mask is peeled off, clients will love how their skin looks — bright, clean and luminous.
- Easy to apply and peel off at home, clients will love their healthier complexion making this mask a part of their weekly skin care routine **creating repeat retail sales**.
