MY DERMATICIAN™ DERMAL SONIC BRUSH

VIBRATING SONIC CARE CLEANSING BRUSH

FEATURES:

• 5 SPEED • WIRELESS • WATERPROOF • PORTABLE

- Skin-friendly, environmental-friendly and water-proof silicone, which is safe and non-irritating. Designed with a micro-porous structure helps prevent bacteria.
- 3000 touch points densely arrayed like a matrix remove the tough impurities
- Touch points on front side is recommended to clean the everyday oils and residual makeup residue from the face.
- The unique silicone points on the back are designed to help more problematic areas and /or body acne.
- Five-frequency variable speed gently exfoliates by using vibrating technology.
- This pulsating technology dislodges embedded debris.
- Lower speeds are designed to help alleviate tired, puffy, and dark circles around the eyes.
- Medium-frequency pulsations focus on wrinkle-prone areas, de-stressing expression lines, brighten skin, and restore skin's elasticity and firmness.
- Intelligent reminder function which automatically stop in three minutes is easy for you to master the using time.
- The battery will be fully charged after two hours with provided USB rechargeable cord.
- The ergonomic streamline design concept makes it easy to grasp and use.
- My Dermatician™ is a wireless device that charges through three metal points inside the stand.

*This vibrating technology
dislodges embedded
everyday dirt and grime.*

*Reveal healthy, soft, radiant
and smooth looking skin.*
