**Fanny  
Facial  
System**

**P**imples on the buttocks are relatively common. Dirt and moisture gets trapped by your clothing – add the friction that comes from sitting, tight clothes and hot climates, and you’ve got a recipe for breakouts.

## FAQ's

### ● Why do buttocks breakouts occur?

There is multitude factors on why the breakouts occur like bad hygiene, sweat and tight-fitting clothing. This will then lead to inflammation and keratin build up in the hair follicles.

### ● If technically pimples on the buttocks aren't considered acne, what are they?

To start with, there is a common disorder call Keratosis Pilaris (KP) that is caused by keratin building up in your hair follicle, forming a plug of harden keratin. Another related condition is Folliculitis, which is a surface inflammation of the hair follicles; cysts or boils, also known as nodulocystic acne, which is deeper and larger bumps under the skin.

### ● Why will the Fanny Facial System help treat this relatively common issue?

Both, Bumpy Butt Masque and Bumpy Butt Blaster is a remarkable duo that will alleviate Keratosis Pilaris (KP), reduces bacterial folliculitis, prevents ingrown and cleanses area from sweat and bacteria. There will be no concern of drying out surrounding skin, natural skin oils and no-sting, alcohol and it is triclosan free.

### ● Can the Fanny Facial System prevent from reoccurring breakouts on the box?

Yes, *Fanny Facial System* has anti-inflammatory properties that minimizes redness, prevents bacterial growth and itchy skin. There is a cooling effect as well that reduces irritation and eliminates chaffing.

## PROTOCOL

- 1 Cleanse with the **Hoo Haa Cleanser**, for both (i.e. folliculitis, keratosis pilaris, and P.I.H.) add a small amount of **Resurfacing Powder** to **Hoo Haa Cleanser** to form a paste-like cleanser.
- 2 Remove and pat dry. Apply 1 to 2 process of 14% **Salicylic Acid** over affected area (DO NOT REMOVE).
- 3 In a separate dish, have a generous amount of **Bumpy Butt Masque** and mix it with drops of **Bumpy Butt Blaster**.
- 4 Apply the generous amount of **Bumpy Butt Masque/Bumpy Butt Blaster** and spread evenly over entire buttocks area. Leave on for 4-6 minutes. Remove with tepid water and make sure area is completely clean and dry.
- 5 Perform extractions if necessary.
- 6 Finish with a thin layer of **A-Limaline**, allow drying before applying clothes.

## Contraindications! Please!

- ANY waxing 72 hours prior to service or 5 days post waxing
- Menstrual cycle (appointment can be made 5 days prior to or after cycle)
- Pregnant or lactating
- Open lesions, sores or wounds
- If client has a history of herpes simplex viral infections in the area being treated, you will need to take a prescription antiviral medication to prevent an outbreak. This medication should be started 3 days prior to the procedure and continued for 5 days' post care.
