

Shir-Organic

Our AHA Daily Regenerating Cleanser is infused with natural Alpha Hydroxy Acids derived from fruit sources, this cleanser will soften and smooth the skin, brighten the skin complexion, and deeply cleanse the pores. Also combined with calming botanicals such as chamomile, lavender, and cucumber extracts, even sensitive skin types can enjoy this regenerating cleanser to improve skin clarity, tone, and texture.

Rosehip is a fruit that accompanies the Rose plant and has a vibrant red color. This fruit is a nutritious source of Vitamin C and has many benefits for the skin. Phenols in rosehip may help hydrate and protect skin cells exposed to UV damage, and brightens the skin.

Deeply nourish and hydrate your skin with this lightweight moisturizer with gentle botanicals such as Aloe, Cucumber, Horse Chestnut, and Rosemary. Natural oils such as Coconut, Safflower, and Babassu Oil help to hydrate the skin and improve skin's natural barrier function to lock in moisture.

Achieve optimal PH level using the Shir-Organic Select Pure Botanical Calming Toner to tone balance your skin. Blended with gentle botanicals such as Aloe, Cucumber, Olive Leaf, and Chamomile which can help to reduce skin sensitivity.

Probiotics can help reduce the signs of stressed skin such as fine lines, wrinkles, and age spots by helping to increase cell renewal. They also provide a balanced environment on the skin which can help reduce inflammation and nourish the skin. Combined with an abundance of botanical ingredients such as Aloe, Cucumber, and Carrot Root, this cleanser will deeply cleanse the skin to reveal, rejuvenated, soft, and supple skin complexion.

Help reduce fine lines and wrinkles around the eyes with firming botanicals and fruit. Apricot Fruit Extract contains antioxidants, phytonutrients and essential fatty acids to rejuvenate the skin around the eyes. Firming botanicals such as Rosemary and Rose reduce the appearance of crow's feet and guard skin from wrinkling.
