Shir-Radiance Corrective Rx

Shir-Radiance Corrective Rx combines the most innovative anti-aging and therapeutic ingredients, clinically proven to treat a range of skin conditions, including sun damaged skin, aging skin, acne prone and sensitive skin. Advanced formulations, which include PENTAVITIN®, Ceramides, Hydroxy Acids, Collagen and Hyaluronic Acid, provide the ultimate results for a variety of skin types.

PENTAVITIN® binds water in the skin and keeps it there as long as possible. It perfectly addresses the widespread need both for short and long term skin hydration, providing the extra care and support required by dry skin. Gene expression studies have shown that PENTAVITIN® stimulates key genes to improve skin barrier function, and a variety of in vivo studies confirm its ability to strengthen the skin barrier and maintain deep hydration for up to 72 hours.

Ceramides are natural lipids and are a major component in surface skin structure. They serve as part of the “glue” that holds surface skin cells together. Skin care products that contain the right ratio of ceramides, fatty acids and cholesterol, effectively rebuild the skin's natural barrier against moisture loss and are beneficial for treating various skin conditions.

The unique formulations include alpha and beta hydroxy acids which gently exfoliate the skin. These hydroxy acids regenerate new skin cells and allow much better absorption of the Collagen and Hyaluronic acid for the most dramatic results.

Shir-Radiance Corrective Rx

Deep Foaming Cleanser

Normal to Dry Skin
Net Weight 200ml

Benefits:

- pH balanced foaming provides a gentle, yet deep pore cleansing, removing impurities without drying out the skin.
- Accelerated removal of old skin cells allows better absorption of topical creams.
- Enhanced cell renewal process leaves skin hydrated and supple.

Active Ingredients:

Cucumber, Aloe Vera Gel, Mandelic acid, Rosemary, Burdock Root, Papaya and Arnica Extracts, Lemon Lime, Lemongrass, Lavender, Orange and Peppermint Essential Oils.

Balancing Cleanser

Oily, Large Pore & Acne Prone Skin
Net Weight 200ml

Benefits:

- A combination of deep cleaning elements with calming plant extracts to normalize overactive sebaceous (oil) glands.
- Anti-septic botanicals produce a mild exfoliation and help reveal clear, balanced, healthy skin.

Active Ingredients:

Cucumber, Rosemary, Peppermint, Horsetail, Calendula, Goldenseal, Spirulina, Burdock Root, Papaya and Arnica Extracts, Lemon Lime, Lemongrass, Lavender, Orange & Peppermint Essential Oils.

Hydrating & Toning Mist

Normal to Dry Skin
Net Weight 200ml

Benefits:

- A soothing, hydrating and refreshing formula that helps tone and refine the skin and helps maintain the skin's optimal pH level.
- A botanical blend of invigorating and re-mineralizing extracts provides hydration to restore skin's health and vitality.
- Fragrance free | Dye free | Paraben Free

Active Ingredients:

Aloe Vera Gel, Watercress, Lemon, Pomegranate, Lavender, Rose, Orange Blossom, Jasmine, Sandalwood, Nori, Passion Flower, Grape Seed, Chamomile & Horsetail Extract.
