

DESCRIPTION

A cleanser that does much more than clean, the Quiet Wash gently showers skin with an expert blend of botanical extracts that combat the inflammation, irritation, itchiness, and redness common to reactive, sensitive skin and exacerbated by environmental toxins. Quiet Wash leaves skin clean, comfortable and calmly receptive to successive products for excellent sensitivity correction results.

BENEFITS

- Calms inflammation and redness and leaves skin feeling fresh
- Gently fortifies cells and supports barrier function
- Properly cleanses and hydrates while guarding skin from environmental toxins

PRESENTATION <i>Retail:</i> 3.3 oz.(93..5 gm) White Bottle with Pump	SKIN TYPE All Skin Types	pH 5.84
---	------------------------------------	--------------------------

USAGE

Cleanse the skin daily by applying Quiet Wash with water to lather in gentle circular motions as often as desired. Rinse well and gently pat skin dry.

CAUTION

Do not use if the skin is broken/cracked. For external use only. Avoid contact with eyes. Keep out of reach of children.

INCI INGREDIENT LIST

Aqua (Water), Lauryl Glucoside, Glycerin*, Caprylyl/Capryl Glucoside, C10-16 Alkyl Glucoside, Phenoxyethanol, Aesculus Hippocastanum (Horse Chestnut) Bark Extract, Olea Europaea (Olive) Leaf Extract, Ginkgo Biloba Leaf Extract, Epilobium Angustifolium Flower/Leaf/Stem Extract, Plantago Lanceolata Leaf Extract**, Betula Alba (Birch) Bark Extract, Moringa Pterygosperma Seed Extract, Mirabilis Jalapa Flower/Leaf/Stem Extract, O-cymen-5-OL, Hamamelis Virginiana (Witch Hazel) Water, Coco-Glucoside, Glyceryl Oleate, Sodium Hydroxide, Propanediol, Citric Acid, Xanthan Gum, Ethylhexylglycerin, Trisodium Ethylenediamine Disuccinate, Alcohol Denat., Butylene Glycol

*Organic

** NOP Organic

KEY INGREDIENTS

Mirabilis Jalapa Extract: also known as the “four o’clock flower”, this delicate flower’s extract is exceptionally successful at calming reactive skin, including reducing discomfort (like sensations of pain, itching and stinging) and visible redness; improves skin’s long-term resilience against sensitivity triggers; supports skin’s barrier function and improve hydration.

- **Moringa Pterygosperma Seed Extract:** from the Moringa Tree in Africa and Asia, it soothes the skin with rich nutrients and antioxidants; has ability to repel environmental pollutants.
- **Horse Chestnut Bark Extract:** toning and astringent agent that helps reduce inflammation, redness, and circulatory swelling.
- **Epilobium Angustifolium Extract:** derived from the Willowherb plant, specifically the flower, leaf, and stem, and abates inflammation, bacterial growth, and environmentally- and oxidation-induced damage, while also reducing redness and irritation.

Betula Alba Bark Extract (Birch Tree Heart): contains natural anti-inflammatory, anti-bacterial and immune-stimulating constituents to help improve skin’s response to stressors.

Ginkgo Biloba Leaf Extract: helps improve skin’s response to and recovery from stress, damage and inflammation; supports collagen production; anti-allergy; antioxidant.

Plantago Lanceolata Leaf Extract: organic; from the herbaceous plantain plant (unrelated to the banana-like fruit); used since prehistoric times for its astringent, anti-inflammatory, antimicrobial, and anti-allergy abilities.

Olea Europaea (Olive) Leaf Extract: high antioxidant activity; also exhibits healing, antimicrobial, anti-redness, anti-cancer, and anti-inflammatory effects; improves skin’s defense against UV damage.
