

Dermaplane Pro Facial Treatment

Revitalize Skin Protocol

FEATURES OF TREATMENT:

BeeDazzle Revitalize delivers quality rejuvenation without fuss or downtime by uniting refinement and recovery in one unique formulation. Sensitive-friendly AHAs (10% mandelic acid and 5% Lactic Acid (1)) recondition skin's texture and complexion while bioactive Manuka Honey (+16) nurtures healing with anti-inflammatory, antimicrobial and conditioning effects (pH 3.5). The combination of BeeDazzle Revitalize with a Dermaplane Pro treatment will brighten, tighten and revitalize the skin.

Dermaplaning immediately rejuvenates the skin by removing the top layer of skin cells from the stratum corneum along with vellus hair. It is highly effective in minimizing the appearance of fine lines wrinkles and acne scars while leaving the skin smooth, supple and vibrant.

BENEFITS OF TREATMENT:

- Reconditions skin's texture, tone and complexion.
- Contains anti-inflammatory and antimicrobial ingredients.
- Supports skin's barrier function and promotes skin health.
- Improves hydration, firmness and elasticity of the skin.
- Reduces fine lines while lightening and brightening the skin.
- Helps heal blemishes or other skin imperfections.
- Reduces the appearance of acne scarring.

HALE & HUSH PRODUCTS:

- Quiet Wash
- BeeDazzle Revitalize
- Mist Me Spritz
- Hush Hydrate Mask
- Relief Bio-Powder
- Soothe Essence Serum
- Eye Mousse
- Broad Spectrum SPF 30

DERMAPLANE PRO:

- AHA/BHA Skin Prep Solution
- Nourishe Dermaplaning Oil
- #10D or 10R Dermaplaning Blade
- Blade Handle

STEPS FOR TREATMENT

PROCEDURE: Complete Forms, Setup Table, Load dermaplaning blade onto handle - rewrap in blade package and set aside.

PRE-CLEANSE: Apply **Quiet Wash** and emulsify with tepid water. Rinse thoroughly with tepid water and towels. Using no steam.

CLEANSE: Apply **Quiet Wash** and emulsify with tepid water. Rinse thoroughly with tepid water and towels. Using no steam.

PREP: Prep skin with **DermaplanePro AHA/BHA Skin Prep Solution** on 2x2" gauze or cotton pad. Cover eyes with goggles or cotton rounds & perform Skin Analysis.

TREATMENT: Put on gloves. Tweeze coarse hair on chin if needed. Apply 1-2 pumps of **Nourishe Dermaplaning Oil** to face and neck. You should see only a light film on the skin. Over lips is ok. Avoid getting in eyes.

DERMAPLANING: Begin on the forehead holding skin taut between thumb and index finger, hold the blade at a 45 degree angle and move between the bracing fingers for 6-passes (sensitive), 8-passes (normal) & 10-passes (resilient) skin. As you **dermaplane**, wipe blade on gauze to clear of debris. Do NOT **dermaplane** thicker hairs / Tweeze them. After **dermaplaning**, thoroughly check skin to make sure all areas have been treated. Touch-up as needed. Use a damp 4 x 4 to remove residue.

See Reverse for continued Steps for Treatment, Notes & Contraindications

STEPS FOR TREATMENT (CONTINUED)

EXFOLIATE: Apply a thin layer of **BeeDazzle Revitalize** to face and neck with a fan brush and massage for 3-5 minutes and rinse well. Remove with tepid towel or 4 x 4. **NOTE:** Depending on sensitivity you MAY use steam for up to 4 minutes. Perform extractions if necessary.

CLEANSE: Apply **Quiet Wash** and emulsify with tepid water. Rinse thoroughly with tepid water and towels. Using no steam.

NOURISH: Wipe skin with wet, soft gauze or cotton soaked in **Mist Me Spritz**.

MASK: Apply **Hush Hydrate Mask** with 2-3 shakes of **Relief Bio-Powder** with a mask brush liberally for 5-10 minutes. Cold Globes may be used for cooling massage on face. Remove residual mask with tepid towel.

TREAT: Apply **Soothe Essence Serum** by patting into the skin until absorbed.

ENHANCE: Apply **Eye Mousse** to the upper and lower eye area.

PROTECT: Apply **Broad Spectrum SPF 30** to face and neck.

RECORD: Record treatment on client forms and document products used.

NOTES AND RECOMMENDATIONS:

- Prior to performing this protocol, it is recommended to patch test specific products on all clients especially with sensitive and Health-Challenged Skin[®].
- Wear gloves and sanitize regularly.
- Use steam & hot towels with extreme caution. Have cool towels available if client is agitated by ingredient activity to remove product quickly.
- Do not heavily rub or try to penetrate the product into the skin.
- Check the client's health history for medications, allergies or sensitivities to any ingredients in any of these products.
- Do not leave products on skin longer than the recommended time.
- An effective at home skincare routine is recommended for every client.
- Follow all protocols and instructions for the Dermaplaning Pro treatment and products listed in the procedure manual provided by Dermaplane Pro.

CAUTIONS AND CONTRAINDICATIONS:

- Do not use on skin with open lesions, sores or wounds.
- Do not use on broken/cracked, sun-burned or rashy skin.
- Do not use on open comedones, or cystic acne (grades 3 & 4).
- Do not use on clients with compromised barriers or active skin conditions.
- Do not use on clients who have allergies to natural fragrances (Mist Me Spritz).
- This product contains AHA Acids (10% mandelic, 5% lactic) so check skin allergies prior to treatment.
- The use of SPF is mandatory for 2 weeks daily following application of this product.
- It is recommended that use of Vitamin A (retinals and retinols), not be used within 5 days of this treatment.
- Do not wax or sugar 3 days prior or one week after treatment.
- Check with physician if client is pregnant, breast feeding, on chemotherapy drugs, have a severe autoimmune disease or any health condition that may need a physician's release to perform this treatment.
- Please refer to a Physicians Desk reference manual to assure there will be no conflicts with prescribed or OTC medications and ingredients used in this product.
- Avoid contact with eyes. Keep out of reach of children.
- If any reactions occur during treatment, cease the use of these products immediately.
- Avoid all contraindications for Dermaplane Pro Treatments and products listed in the procedure manual provided by Dermaplane Pro.

*Please refer to the specific product data sheets with additional questions, concerns and for the complete ingredient listing for each product..

*Please refer to the procedure manual for all questions regarding the Dermaplane Pro Treatment and Dermaplane Pro products or contact Dermaplane Pro directly with any questions or concerns.
