Create your own personalized beauty routine

Because the skin, throughout our life, has different needs, some temporary, others permanent, FRANCE LAURE concept simplifies your life.

With collections classified by needs, everything is possible.

They can be combined with each other and give you all the flexibility you need.

Morning and Evening

Cleansing Milk/Gel/Mousse

Morning and evening, apply cleanser to face, neck, and neckline. Massage using gentle circular motions. Rinse with lukewarm water. Follow with Perfecting Toner.

Perfecting Toner

Shake well before using. Morning and evening, after the cleanser or at any other time during the day, spray Perfecting Toner directly on cleansed skin or using a cotton pad apply to face, neck, and neckline. Follow with the appropriate Intense or Silky Serum.

Enhancing Eye & Lip

Morning and /or evening, after applying Perfecting Toner and before Serum, apply to eye contour and around the mouth. Pat gently with finger tips until completely absorbed. If the concerns are visible under-eye bags or circles, use ENHANCING EYE & LIP SERUM. If the concerns are fine lines and wrinkles, use ENHANCING EYE & LIP CREAM. These two products can be layered for optimal results.

Intense or Silky Serum

Shake well before using. Morning and evening, following Perfecting Toner and after applying Enhancing Eye & Lip products, place a small amount of Serum in the palm of the hand, and apply to face, neck, and neckline. Follow with the appropriate Harmonizing or Repairing Cream or Mask.

Harmonizing Cream or Fluid

In the morning, after Intense or Silky Serum, apply Harmonizing Cream to face, neck, and neckline using gentle circular motions. Follow with RévoluSolaire and apply make-up, if desired.

Repairing Cream

In the evening, following the Intense or Silky Serum, apply Repairing Cream to face, neck, and neckline and massage gently using gentle circular motions to ensure penetration.

Targeted Corrector Treatment

Apply topically to each pimple on top of your daily routine. In the MORNING, apply by using patting motions to blend with skin color. In the EVENING, apply and leave on for 20 minutes or allow to stay on all night. BEFORE THE MASK, apply a generous layer to each pimple or pustule without massaging.

Once or twice a week

Exfoliant

Use Exfoliant once or twice a week or as needed; apply Exfoliant, according to recommendations, to face, neck, and neckline. Rinse thoroughly with lukewarm water. Follow with the appropriate Intense Serum and Mask.

Mask

Once or twice a week or as needed, after Intense Serum, apply Mask to face, neck, and neckline. Leave on for 20 minutes. Remove and rinse thoroughly with lukewarm water. Follow with Perfecting Toner and other appropriate treatment products.
